

**JVAL OPENAIR**

SWITZERLAND

10<sup>th</sup> edition in 2014  
700 festival goers per night  
12 concerts over 3 nights  
set in a 8.5 ha vineyard  
finest rock & pop  
DJs' afterparty all night  
local food & wine  
panorama of the Alps  
a balcony over lake Léman  
backing the Swiss music scene

Set in the vineyards overhanging Lake Geneva, the **JVAL** Openair offers a very unique experience.

« the most intimate Swiss festival »

While many festivals focus on growing, we thrive to keep things intimate, allowing for artists and festival goers to get close, and share their love for music.

We value the enchanting setting of our openair, we welcome artists like our friends and make them feel at home, we select the best local produces and serve our domaine's wine. We are a one-of-a-kind openair club.
